MESSAGE FROM THE
FOUNDER

by Roshan Kumar Rawat

Welcome to the first Newsletter of Freepathshala. The objective of this newsletter is to make you aware of the activities that have taken place during the entire month. Also, we look forward to receiving your feedback on these activities and suggestions to improve them in order to make a greater, positive impact on these kids.

...FROM THE FOUNDER

Freepathshala is an initiative to educate the kids of construction workers. These kids will never go to school until and unless you and I try because they belong to parents whose jobs are into construction work and these jobs are not stationary and require a frequent shift in location since they move along with their work. For operations, our schools generally run in the nearby parks, though there is no permanent site, we have a permanent teacher along with active volunteers. Paid teachers look after the academic aspects of the students while the volunteers share and talk about subjects like good habits, yoga practices, manners and etiquette, etc.

Currently, Freepathshala is running in two areas of Gurgaon i.e. Sector 51 and 46 and will shortly be opening its third school. We have recently launched a fund-raising program i.e. **Raddi se Tarakki**, in which we encourage people to commit their monthly *raddi* to us. We get the *raddi* picked up from their doorstep and the amount collected automatically gets credited into the Freepathshala account.

All this and more, the running of the organization is only possible with your genuine love and support. Please share your suggestions and feedbacks to be incorporated for enhancing the quality of education/life.

ACTIVITY BRIEF

AAJ KA GULAB- Roshan, in his recent trip to Ahmedabad, was introduced to the concept of "*Aaj ka Gulab*" at an NGO, which refers to the student that showcases an all-rounder performance in terms of punctuality, neatness, attentiveness, etc. This student is then given the chance to conduct the morning assembly sessions.

NUTRITIOUS FOOD DISTRIBUTION PROGRAM- This program was initiated in association with **AaoKhilayen Team** and aims at providing kids with food that provides all the necessary vitamins and proteins that are essential for a complete meal. The frequency of this program will be every Saturday.

YOGA SESSION- The activity is conducted by **Mrs. Shuchita Sharma**, who is an active volunteer here at Freepathshala. This activity engages all the students to execute basic yoga asanas. The idea here is to instill the basics of this traditional Indian Art form in them

WORLD ART DAY CELEBRATION- The kids observed this occasion by bringing out their inner Picassos and presenting the class with their creative artwork.

Saanvi, daughter of **Dr. Hrithik**, a resident of Sector-51, celebrated her 2nd birthday at Freepathshala and shared a joyous moment with the students.

Aanshi, daughter of **Amit Goswami**, is a resident of Princeton Floor Society, Sector 51. She celebrated her 1st birthday with the students of Freepathshala.

It is a joy to share special moments and experiences, enriching lives of the people around us.
